## **NOTICE TO RESIDENTS**

**CITY OF VINCENT  
VINCENT CITY HALL  
GARBAGE BILLING TRANSITION NOTICE**

Effective **April 1, 2026**, garbage billing for the residents within the city limits will no longer be processed through the Vincent Water Board.

Beginning April 1, 2026, **Alabama Waste Services (AWS)** will assume responsibility for residential garbage billing for the residents inside the city limits and will issue **quarterly invoices directly to customers**. Garbage service rates will remain unchanged.

### **January–March 2026 Payment Options**

During the transition period of **January through March 2026**, customers may choose one of the following payment options:

- Continue paying garbage charges through the Vincent Water Board, **or**

Make monthly payments directly to Alabama Waste Services through the secure payment section of the AWS website or by mailing payment to the AWS P.O. Box.

Quarterly billing through Alabama Waste Services will begin April 1, 2026.

For additional information, customers should review mailed notices or contact Alabama Waste Services directly.
